Dear Parent/Guardian,

The use of web based educational resources has risen steadily over the last decade and are increasingly being used by Teachers across Queensland to improve student learning outcomes.

Our school and Teachers make decisions about the best technology to meet the needs of our students. Sometimes it is beneficial for students to utilise services provided by third party web based providers.

Redbank Plains State School wishes to utilise the third party web based service provider/s listed below to aid students learning. For your student to use the service the teacher will need to register them as a user.
